Water

Sun Safety

As we welcome the warm weather, please remember to bring a hat, sunscreen, and a water bottle. Please apply sunscreen **prior** to arriving. Students will reapply throughout the day, with little help from the staff, to ensure we are maintaining safe social distancing.

Items to Bring Daily

We ask that your child's lunch is packed in a plastic/Ziploc or paper bag, as cloth bags are not permitted due to Covid-19. At the same time, we are unable to provide your child with utensils.

Please ensure your child has a bag of extra clothes and an extra pair of shoes in their backpack.

Please also bring a bathing suit and towel daily as we will be going outside in the sprinkler often.

Important Dates

We are closed **July 1st** – Happy Canada Day!

On **July 7th** we will be making Solar Oven S'mores! We will need pizza boxes to cook this treat in the sun. If you collect any pizza boxes at home between now and July 7th, please feel free to bring them to the center.

On **July 10th** we will be going for a nature walk in the forest near the school. Please ensure your child is wearing the appropriate footwear for a long and possibly rugged walk.

During the week of **July 13th – 17th** our theme is "Drive-In Movie." We will be constructing and decorating many fun things including cars, signs and a concession stand leading up to our drive-in movie day that Friday. For these projects, we will need a lot of cardboard! If you have any cardboard at home that you are willing to part with, please feel free to bring it to the center.

On **July 20th** we will be making DIY Green Houses. Your child will need to bring a Ziplock bag.

On **July 27th** we will be Tie-Dying! If your child would like to participate in this project, please ensure they bring a white item from home.

On **July 30th** we will be making Rainbow Bubble Snakes. Your child will need to bring a sock and a plastic water bottle.

We are closed on **July 31st** for the August long weekend!
